

LOADING THE DATASET:

The screenshot shows the IBM Cognos Analytics with Watson dashboard. The top navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", a search bar, and a user profile icon. Below the navigation bar, a blue banner displays a maintenance message: "Maintenance: Scheduled maintenance completed. Click More Info for". The main content area is titled "Quick launch" and features four large cards: "Upload data" (with an upload icon), "Prepare data" (with a data icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a presentation icon). Each card contains a brief description of its function. To the right, a user profile dropdown menu is open, showing the user's name "Dinu Ananth (1537feb9d...)", email "dinushrewd@gmail.com", and a "Profile and settings" link. Below the "Quick launch" section, there are tabs for "Get started" and "Recent". The "Get started" tab is active, displaying a section titled "Get up and running in IBM Cognos Analytics". This section includes three sub-sections: "How-to videos" (with a link to "Watch videos"), "Accelerator Catalog" (with a link to "Browse catalog"), and "Learning resources" (with a link to "Launch the learn pane"). An illustration of three people working together is also present.

The screenshot shows the "Content" page in IBM Cognos Analytics with Watson. The top navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", a "Content" dropdown menu, a search bar, and a user profile icon. Below the navigation bar, the "Content" section is displayed, with tabs for "My content", "Team content", and "Samples". The "My content" tab is active, showing a list of five datasets: "50_Startups.csv", "Healthcare_Data.zip", "Pharma_Monthly_Sales.csv", "test_data.csv", and "train_data.csv". Each dataset card displays the file name, the last accessed date and time, and a "CSV" icon with an upward arrow. A "New +" button is located in the top right corner of the content area.
